At Brain and Spine Institute of San Antonio, our providers strive to provide the most up-to-date neurosurgical treatment options with the utmost care. To provide the best experience, we ask every patient to review the policies below.

Patients new to the office will be asked to arrive 30 minutes prior to their scheduled appointment. The first appointment will require more time to obtain proper medical, family, and social history. It is the patient's responsibility to have pertinent records and/or adequate knowledge of their medical condition(s). **Failure to provide pertinent information may delay treatment.**

PLEASE INITIAL:

_____ It is the patient's responsibility to provide current insurance information and proper identification. The patient must provide the co-pay/co-insurance prior to the appointment. Failure to do so may prevent assessment from a provider and/or cause a delay in treatment. Any remaining balance after the insurance company is billed is the patient's responsibility.

_____ If multiple issues/conditions need to be discussed, a second appointment may be required at the provider's discretion.

_____ If imaging has been performed prior to the office visit, it is the patient's responsibility to bring the imaging files on a CD. If the imaging center offers to mail it to the office, please decline the request, and bring the CD with you. Our office does not have electronic access to all the imaging centers. A lack of imaging can cause a delay in treatment.

_____ Results will not be discussed over the phone in lieu of an office appointment. Patients are usually scheduled at the time of check-out to go over results of tests ordered at current visit.

_____ For uninsured/self-pay patients, payment for the visit is required prior to seeing a provider.

_____ Cell phones or any recording device usage in the exam room is prohibited. Any device used to record a conversation is prohibited. The provider will not discuss patient care on the phone with anyone other than the patient or approved power of attorney. The provider will not participate in video conferences. Failure to comply by these rules may prevent treatment and/or dismissal from the practice.

_____ Cancellations or appointment time changes must occur 48 hours prior to the scheduled appointment in order not to be considered a "No Show". It is the patient's responsibility to notify the practice within the specified time. If a patient has three (3) violations, the practice reserves the right to terminate the patient from the practice for non-compliance.

_____ The patient is allowed one additional guest to his/her appointment. Children 12 years of age and under are prohibited in the exam room.

_____ Our providers do not dispense narcotics for chronic pain. If pain control is required, our providers can send a referral to a pain management physician.

_____ **For non-elective/emergent surgical patients:** Pain medication will be administered by the inpatient hospitalist for the post-operative period. If prolonged pain control is needed after surgery, establishing care with a pain management physician will be required.

_____ **For elective surgical patients:** Pre-operative instructions and prescriptions will be provided in the office prior to your scheduled surgery.

_____ Our practice does not provide refill for medications. Any prescriptions given will provide adequate coverage between appointments. If an exception must be made, the patient will need to come to the office for a consultation.

_____ Disability, short-term and long-term leave paperwork is reserved for patients treated with surgery by Brain & Spine Institute of San Antonio. Any paperwork completed by our providers will require a pre-payment of \$25 per set of forms and may take 7-10 business days to complete. Please do not expect paperwork to be completed on short notice. This paperwork is time consuming and requires detailed documentation that should not be rushed.

_____ If there is a medical emergency at any time, please call 911. If medical attention is needed during regular business hours, please call the office and every effort will be made to schedule a prompt appointment.

_____ If medical attention is needed due to pain after regular business hours, please go to the nearest urgent care center.

_____ Our providers will not call in prescriptions after hours. Pain medication is reserved for patients who have been treated with surgery. Long-term pain control will require referral to a pain management physician.

Broken Appointment Policy

Our practice is dedicated to quality care and exceptional service. Our medical providers and entire team spend extensive amounts of time preparing for your visit. Broken or missed appointments create multiple scheduling problems for our entire team as well as other scheduled patients. When you have a scheduled appointment with our office, a specific time slot is reserved specifically for you and your medical needs that involves the entire staff. To be respectful of the needs of all our BSISA patients, we have created the following Broken Appointment Policy. We appreciate your understanding.

We request that you give our team a notice of at least **48 hours** in the event that you need to reschedule your appointment. This will allow us time to make every effort possible to accommodate other patients. If you miss an appointment without contacting our office within the required time frame, this is considered a broken appointment. A fee of **\$30.00** will be charged to you for that broken appointment. This fee cannot be billed to your insurance company and you will be held directly responsible for that fee/payment. Payment will be due prior to any additional services rendered including rescheduling the appointment.

If you have any questions regarding this policy, please speak with one of our front office staff members and we will be glad to clarify any questions you may have.

We thank you for your patronage!

I, _____ (print name), have received a copy of Brain and Spine Institute of San Antonio's Broken Appointment Policy. I have read and understand the policy and I agree to be bounded by its terms. I also understand and agree that such terms may be amended from time-to-time by the practice.
